Come tryout for one of the available spots on a GSA Team. We are a family friendly program, providing professional coaching, training, and instruction. We want players with a good work ethic, good attitude, and have the love for the game. Our season will run from February, to the end of May, with some of the older teams running into June. You only need to come to one tryout.

All fields are located near Zilker Park and Chuys Restaurant off Barton Springs Rd. Call 512-422-3114 for details, directions or any other questions you may have.
